

Friendship Week

In addition to having the opportunity of giving Valentines to their classmates, all children are encouraged to take part in Friendship week from February 7th - 11th. All students will be given 20 paper hearts to secretly deliver throughout the week. Everyone is asked to think about something that they like and/or admire about every child in the class, write it on the heart and discreetly place it in their classmates mailbag. Remember, it's a secret, so don't sign the mail. DO NOT make all deliveries in one day but a few every day throughout the week. On the 11th all mail will be read and some children may even discover things about themselves that are admirable that they never knew others noticed. (I like how you . . . , You make me smile when you . . . , You are so good at . . . , I'm glad we are friends because. . . , Thanks for sharing your ____ with me , etc.) Be creative, but sincere!!! Your notes will go a long way. Valentines cards may also be delivered on the 11th and you may sign your name on them. We will play games on that day and celebrate our friendship.

Here is a list of the children in our class:

Caitlin	Nicholas	Dayna	Matthew	Joseph
Harry	Ainslie	Liam D.	Liam H.	Kylie
Jonathan	Parker	Adrianna	Amy	Monica
Laas	Megan	Duncan	Alyssa	

Thank you again for supporting all that we do in our class.

Thank you for working with you children every day and supporting their learning.

Sincerely,

Mrs. Goldman
